Dear Clerk of Court, Claims Administrator, and Settlement Class Counsel:

I received a "CLAIM REJECTION NOTICE" email dated Aug 27, 2025 at dcmoore@gmail.com. The claim rejection notice indicates that "[I] did not respond to the Deficiency Notice sent to you in May 2025." I disagree with this rejection, and request review by the Court to overturn this rejection.

To my knowledge, I never received a deficiency notice by email or mail in May 2025, or I would have promptly provided the required information. I am a member of the class, having attended Yale University from August 2002 through May 2006, and receiving partial financial aid throughout that time. I properly submitted the requested copy of my Yale degree with the graduation date above and received confirmation of receipt by email on 12/17/2024 and a follow up email on April 1, 2025 stating "No further action is required from you at this time. We will contact you if we need any additional information or documentation regarding your claim." I am aware of no further communications from the Claims Administrator until receiving the rejection notice above.

Please promptly acknowledge receipt of this appeal, and what further documentation is needed to address the claimed deficiency so that I may provide the required documentation.

Thank you,

David Moore
